## KCNA Churches

May 21<sup>th</sup>, 2019

Dear Friends and Families,

Konko Church of Chicago

We would like to invite you to our annual **KCNA Family Camp** this summer in San Diego, California to be held at the University of California, San Diego on **August 8<sup>th</sup> – 9<sup>th</sup>**, where this year's theme is: *"Smile from Within: Through Paying it Forward."* The Family Camp incorporates activities and experiences to educate children and families about the Konko Faith. The children will learn with their peers, while the parents will help foster every experience. Together, each family will be able to renew their faith and help each other grow both personally and spiritually.

John Katayama will be facilitating the Family Camp, but we need your help creating an environment where everyone will feel comfortable learning about the Konko Faith. Therefore, all activities will emphasize having the parent(s)/guardian(s) participating in fun hands-on workshops and stimulating activities with the children.
